Dear Harold,

I went to the Free Press offices and they are closed - a man there didn't know of any second issue on JFK - What did you think of the 1st. issue? I seemed to have some things that were new to me - especially on the CIA Mexico City trip - I guess the shooting of Pigott will stop his Nation & Ramparts articles -

Enclosed check for $200 -

Best to you, Jil and Jim.

Best

Paul
